

## BECOME A PATHFINDER FOR THE FRAMEWORK FOR ETHICAL LEADERSHIP IN EDUCATION

The Framework for Ethical Leadership in Education is designed to give busy, devoted and distracted school leaders and governing boards the chance to look at what underpins the decisions we make. We hope that you find it useful and thought-provoking. We hope that it will make our schools truly places where the next generation of ethical leaders may grow.

### Great reasons to be a pathfinder:

- Improve your school's ethical foundation
- CPD for school leaders and governing boards
- Access to pathfinder resources and support
- Networking with similar-thinking schools
- Lead the way as an exemplar of ethical leadership and inspire other schools with good practice
- Engage in the ethical leadership debate

### Pathfinders will be required to:

- Be interested in improving their governance/leadership and have an interest in ethical leadership
- Commit to complete one of the 'paths' to explore ethical leadership; this could be an ethical audit, discussion of case studies provided in resource pack, review of school values and ethos in light of the framework, or running your own case studies provided by the governing board/trust through the ethical framework
- Respond to two light touch surveys to provide written feedback on your progress and attend two free events for pathfinders.

### Submitting your interest

In order to receive your resource pack, please register your interest with NGA – email [ethicalschoools@nga.org.uk](mailto:ethicalschoools@nga.org.uk) requesting an Ethical Leadership resource pack or for more information.

# FRAMEWORK FOR ETHICAL LEADERSHIP IN EDUCATION

1. **SELFLESSNESS** | School and college leaders should act solely in the interest of children and young people.
2. **INTEGRITY** | School and college leaders must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. Before acting and taking decisions, they must declare and resolve openly any perceived conflict of interest and relationships.
3. **OBJECTIVITY** | School and college leaders must act and take decisions impartially and fairly, using the best evidence and without discrimination or bias. Leaders should be dispassionate, exercising judgement and analysis for the good of children and young people.
4. **ACCOUNTABILITY** | School and college leaders are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.
5. **OPENNESS** | School and college leaders should expect to act and take decisions in an open and transparent manner. Information should not be withheld from scrutiny unless there are clear and lawful reasons for so doing.
6. **HONESTY** | School and college leaders should be truthful.
7. **LEADERSHIP** | School and college leaders should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles, and be willing to challenge poor behaviour wherever it occurs. Leaders include both those who are paid to lead schools and colleges and those who volunteer to govern them.

Schools and colleges serve children and young people and help them grow into fulfilled and valued citizens. As role models for the young, how we behave as leaders is as important as what we do.

Leaders should show leadership through the following personal characteristics or virtues:

- a. **TRUST** | *leaders are trustworthy and reliable*  
We hold trust on behalf of children and should be beyond reproach. We are honest about our motivations.
- b. **WISDOM** | *leaders use experience, knowledge and insight*  
We demonstrate moderation and self-awareness. We act calmly and rationally. We serve our schools and colleges with propriety and good sense.
- c. **KINDNESS** | *leaders demonstrate respect, generosity of spirit, understanding and good temper*  
We give difficult messages humanely where conflict is unavoidable.
- d. **JUSTICE** | *leaders are fair and work for the good of all children*  
We seek to enable all young people to lead useful, happy and fulfilling lives.
- e. **SERVICE** | *leaders are conscientious and dutiful*  
We demonstrate humility and self-control, supporting the structures, conventions and rules which safeguard quality. Our actions protect high-quality education.
- f. **COURAGE** | *leaders work courageously in the best interests of children and young people*  
We protect their safety and their right to a broad, effective and creative education. We hold one another to account courageously.
- g. **OPTIMISM** | *leaders are positive and encouraging*  
Despite difficulties and pressures, we are developing excellent education to change the world for the better.
