Bernard Stuart

Nomination for election for the North West region

Personal Statement

I have been the chair of governors at Ince CE Primary school for 6 years; and have experience as a governor in RC schools and LA schools before that. I am fully aware that trustees have a collective responsibility for ensuring that the NGA is strategically focused, effectively managed, legally compliant, financially sustainable and well governed. I believe that given my experience I would be able to contribute positively to provide appropriate oversight of the Chief Executive, protect the organisation's assets and reputation, manage risks, and act in the best interests of the organisation and its members.
