

IRP Support

Introduction

With experienced panel members provided by NGA you can be sure of a thorough, fair and compliant independent review of any permanent exclusions.

Our service

We provide governance consultants who have the necessary training and experience to:

- i) chair the IRP

All consultants will review all the paperwork for the IRP, raising any concerns if these are not in good order, and participate in the panel meeting either as the chair, independent panel member, or clerk.
